### What's the Festival of Neighbourhoods (FON)?

In November 2023, Olde Berlin Town won a \$20,000 grant at the Festival of Neighbourhoods annual gathering. Initially, FON celebrated community spirit with an afternoon of festivities. It's advanced to promote living and growing in connected neighbourhoods, and to support neighbours who organize inclusive and accessible gatherings in neighbourhoods.

### What are the key considerations for a project?

- ◆ Be resident-led
- ◆ Climate friendly
- ◆ Fit the character of the Neighbourhood
- ◆ Involve community members

### What are the next steps for Olde Berlin Town?

- ◆ Engage residents and gather ideas → schedule mini-workshops
  - ◆ For example, April 3<sup>rd</sup> session at 119 College St.; May 4<sup>th</sup> Jane's Walk in the Laneways to discuss possible improvements
- ◆ Develop a list of possible projects
- ◆ Identify 3 possible projects, prior to deciding a final selection
- ◆ Develop implementation (incl. purchase costs, installation fees, after care)
- ◆ On-going consultation with the City during the process
